Labor Day Weekend

September 2-5, 2011

Designed for Organized
Youth Groups including:

About ScubaJam Virginia...

ScubaJam Virginia was created to provide a great SCUBA diving experience to BSA registered youths, boys and girls, ages 11-20. The event has been created by interested divers representing dive shops, scuba training operations, and various BSA Troops and Venturing Crews. The program is designed for youths who are certified divers, but that shouldn't stop you. Go get certified at your local shop and join in the FUN!

Anyone is welcome to participate but they must register for the event through a participating youth organization such as a BSA Troop or Venturing Crew and agree to be responsible to that group. A sponsoring Troop or Crew must also have a Scuba Diving Instructor directly involved with the group and supervising the groups diving for this event.

The event will be held at Lake Rawlings over Labor Day weekend and feature two full days of diving opportunities along with various exhibits, demonstrations and challenges to enhance the diving experience for young people.

If you are not associated with a Troop or Crew, or if your Troop or Crew will not be sponsoring the event, just call one of the sponsoring groups. You can dual register at no additional charge and participate with that group. Each sponsoring unit must sign up with the ScubaJam Committee and commit to

a minimum of 6 participants.

Participant – \$100 Event Fees includes a welcome packet with a commemorative t-shirt, entry to Lake Rawlings for the weekend which includes 3 nights of camping (Fri - Sun) and 4 days of Diving (Fri - Mon) including unlimited free air fills. (*Tank rental not included*)

Adult Volunteers - \$25 Each sponsoring unit is eligible to bring 2 Adult Volunteers at the reduced rate of \$25. For each additional 6 participants 1 additional adult can attend at the \$25 price. As the participant will be attending the event with a sponsoring Troop/Crew. There may be additional fees levied by the unit for meals, transportation, equipment rental, training etc.

**Awards, Prizes,
Con-Ed Scuba
Scholarships!**
